

Expressions of Interest

CITB NI is seeking experienced and qualified trainers.

You may be an individual working on a self-employed basis or a training provider willing to subcontract work which would be offered as and when required.

Training will be for Operator and Supervisor/Management level within the Construction Industry.

This training will be delivered on our Mobile Training Unit across all parts of Northern Ireland and/ or at our Nutts Corner Training Centre premises using our innovative Virtual Training Environment (VET360) as a key training tool.

Key topic areas may include Safety Training including Manual Handling; abrasive wheels; Slips, Trips and Falls; Risk Assessment and Working @ Heights. Health in Construction covering areas such as Mental Health; Hand/Arm Vibration; Asbestos; COSHH; Silica Dust and Environmental impact/management.

If you are interested please forward your CV to gillian.watt@citbni.org.uk.

Closing date for receipt of CV's is Friday 9 March 2018 at 4 pm.
