

Social Impact Measurement Training

Date: Wednesday 26 June 2019

Time: 10 am - 12.30pm

Location: CITB NI, 17 Dundrod Road, Crumlin

Social Enterprise NI

Social Enterprise NI are delighted to deliver this training session, which is open to all construction organisations and funded by CITB NI

Do you currently apply for public tenders and need to show that you deliver more than "bricks & mortar"? Do you work with Social Enterprises in your Supply Chain? Do you have a positive social impact in those communities but are unsure of how you measure that impact? This introduction to Impact Measurement Training is for you. The session will cover the following elements:

- Introduction to Social Impact
- How Social Impact has gained momentum
- Understanding important of measuring your social impact
- Differing ways of how it can be measured
- Explore differing measurement tools
- Communicating your impact
